2. As required by rule 59 of Mineral Concession Rule 1960, it is notified for the information and general public that interested parties holding certificate of approvals from Haryana Government under Mineral Concession Rule 1960 and Punjab Minor Mineral Concession Rule 1964 can apply to the Director of Industries, Haryana, Chandigarh for the grant of mining leases in the prescribed form along with the necessary fee after 30 days from the date of publication of this—notification in *Haryana Government Gazette*. The requisite fees etc. should be remitted to the Director of Industries, Haryana through demand drafts drawn on any bank at Chandigarh.

3. Any person interested to obtain mining lease for industrial grade sand as defined under rule 70 of Mineral Concession Rule 1960 for the above mentioned area must also apply for grant of mining lease for ordinary sand (minor mineral) available in the same area in accordance with the Provisions laid-down in Punjab Minor Mineral Concession Rules 1964 as mining leases for both the minerals are to be granted to the same person in the interest of harmonious, systematic mining of the mineral deposits and safety of workers to be employed in the mines.

4. The lease shall be for a period of three years only.

5. The lessee shall before the execution of the lease deed, submit to the State Government, the Controller General, Indian Bureau of Mines, Nagpur and Director General Mines Safety, Dhanbad, a mine plan prepared by a competent Mining Expert, together with a specific programme of mining for the following year, from time to time, which he should adhere to strictly.

6. The lessee shall start actual mining operations only after the mine plan and the mining programme have been approved by competent authority on behalf of Controller General, Indian Bureau of Mines, Nagpur and Director General Mines Safety, Dhanbad.

7. The mining lessee shall be liable to extract a minimum 300 tonnes of ordinary sand per hectare of the area leased out to him per annum. This will ensure removal of over burden of ordinary sand lying above the industrial grade sand so that proper benches are formed in the mining area in accordance with regulation No. 106 of Metalliferous mines Regulation 1961. If more than 300 tonnes of ordinary sand per hectare are extracted that the lessee shall be liable to pay royalty as prescribed in the Punjab Minor Mineral Concession Rules 1964 on the actual quantity of ordinary sand so extracted otherwise royalty on minimum 300 tonnes per hectares per annum shall be chargeable.

8. In case Haryana Minerals Ltd. a public sector undertaking of the state Government or any other public sector undertaking applies for a mining lease, over the area herein leased, during the operation of lease, and if the State Government act, under Section 4(A) of the Mines and Mineral (Regulation & Development) Act, 1957, the lease shall stand terminated from the date on which the State Government issues a notice to the lessee under this clause and the lessee shall immediately on receipt of a notice, hand over the possession of the area demised herein, to the State Government.

B. S. OJHA, IAS,

Financial Commissioner and Secretary to Government, Haryana,
Industries Department.
